## WHERE WE ARE

Sept. 2009:  
Completed first  
school in **Laos**

April 2010:  
Completed first  
school in **Nicaragua**

May 2011:  
Completed first  
school in **Guatemala**

We believe **education creates opportunity** and should be extended to every child across the globe. It is our greatest tool for societal development. Right now, there are **67 million children** without access to education. Together, we can offer education for all.

## OUR VISION FOR 2012

Break ground on **100 schools** in Nicaragua, Laos and Guatemala.

Launch a national campaign to rally **millions of young people around education.**
